

How to Use Your PacifiCare SignatureValueSM (HMO) Dental Plan

*Your PacifiCare
SignatureValue (HMO)
plan provides you and
your family with
affordable coverage
for most common
dental services, from
cleanings to major
services such as
crowns and bridges.*

- Select a dental Provider Group from our provider directory available online at www.pacificare-dental.com. All your dental services, including any covered specialist care, are coordinated through your general dental Provider Group.
- Each family member can select his or her own dental Provider Group from our directory.
- Take your PacifiCare Dental ID card with you to your office visit.
- All you pay is the copayment required for the covered service, and you're on your way. There are no bills, no claim forms.
- If your dentist recommends treatment that is not covered under your plan, or you elect services or materials that are not covered under your plan, you will have to pay more out-of-pocket expenses. (Consult your plan booklet for a complete list of covered services and their copayments.)
- You can change your dental Provider Group by simply calling Member Service before the 20th of any month. You will be assigned to your new dental Provider Group by the 1st of the following month.

Questions about your dental plan? Contact Member Service.

Need a new ID card? Have questions about your benefits? Want to change your assigned dental Provider Group? PacifiCare Dental Member Service is ready to help, Monday through Friday, 7 a.m. to 6 p.m. Pacific Time.
